Business Arising:

- Daryl Taylor is yet to order the Par 64 globes.
- The Theatre Sports evening is still going ahead on Friday 31st August at this point although Mark Smith is still unsure of team numbers. No advertising for the night has been done yet. Mark will cancel the event in the next couple of days if need be.
- Jon Doughty is yet to hear from Deb Walker regarding payment of Verdi. He will talk to her at choir (Harmony Group) rehearsals on Wednesday night.
- Jon Doughty can't see himself having the time to organise a Cabaret for the end of the year. He is withdrawing his offer to organise this show.
- Jon Doughty spoke to Alan Fletcher regarding the Albion Park Tennis Courts as a potential site for a SATS shed. Alan is not prepared to do anything with the courts at this stage as Tennis NSW have expressed an interest in the club, so he is reluctant, but will keep us in mind if circumstances change in the future.
- A bus trip has been organised to attend CATS at Warners Bay on Saturday 8th September, with 39 people attending. The bus will depart McDonald's at 5:30pm.
- Details of NIDA scholarship will be discussed at the next meeting.
- The Harmony Group is rehearsing on a Wednesday evening.
- Jenny Blake is organising a group booking to see Grease at Maitland City Bowling Club on 15 September.

Correspondence:

For the month of August to date incoming correspondence included:

- Lions Club of Singleton Inc. invoice for the SATS share of electricity and insurance of the shed at Maison Dieu (\$158.15)
- Singleton Heights Primary School invoice for hire of hall 2006/07 (\$1100)

Miranda Guillon will send a letter to the Lions Club providing Daryl Taylor's contact details.

Correspondence report was moved by Miranda Guillon and seconded by Narelle Bintley.

General Business:

Mark Smith feels that we need to do something about our headsets. He has found a business in Wollongong selling headset units for \$90. This would allow SATS to replace individual parts if required. Mark would like to purchase 6 units and sell off the existing equipment. Jon Doughty will get a price for the radio units from Singleton Hi Fi. Mark estimates the total cost at \$1000.

Daryl Taylor has put in an application for a \$200 grant from Energy Australia for Employees involved in Community Groups.

Meeting Closed: 8:35pm.
